

CONCESSIONS OFFERINGS

Add our Concessions Services as an additional feature to your event! The Augusta Civic Center Concessions offers traditional concessions food and beverages, as well as event-featured products to suit the needs of your guests! Speak with your Event Coordinator to add a Concessions Stand and talk about the availability of custom meals and plans. (Minimum revenue guarantees may apply)

Want to feed your volunteers, staff or vendors without the hassle of choosing meals? Send them to Concessions, and we will keep track of purchases and add them to your final invoice!
